In re Patent No. 6,024,935
Issue Date: 15 February, 2000
Application No. 08/822,170
Filed: 21 March, 1997
Attorney Docket No. 9113-2-CT2

: DECISION

This is a decision on the petition filed on 5 October, 2011, pursuant to 37 C.F.R. §1.27(g)(2) requesting that status as a Small Entity be removed.

NOTE:

In view of their duty of candor to the Office to properly inquire to ascertain the accuracy of representations made before the Office (*see: 37 C.F.R. §1.4, §10.18, MPEP §410*), Petitioners always are reminded of the responsibility to review their records and submit accurate information to the Office.

Petitioner's submission is **ACCEPTED**.

Originally the second page of Petitioner's petition of 21 July, 2011, indicated a reference to Patent No. 6,577,985, Application No. 09/732,093—out of an abundance of caution, the Office requested that Petitioner confirm the patent on which Petitioner sought action and the nature of the action Petitioner sought. On 26 August, 2011, Petitioner was given one month, not less than 30 days to resolve the matter.

On 5 October, 2011, after ensuring that a change of correspondence address was entered, and upon submission of a request and fee for extension of time, Petitioner properly re-advanced his earlier request.

The availability of applications and application papers online to applicants/practitioners who diligently associate their Customer Number with the respective application(s) now provides an applicant/practitioner on-demand information as to events/transactions in an application.

Patent No. 6,024,935
Application No. 08/822,170

Out of an abundance of caution, Petitioners always are reminded that those registered to practice and all others who make representations before the Office **must** inquire into the underlying facts of representations made to the Office and support averments with the appropriate documentation—since all owe to the Office the continuing duty to disclose.¹

The instant application is released to IFW Files Repository in due course.

Telephone inquiries regarding this decision may be directed to the undersigned at (571) 272-3214—it is noted, however, that all practice before the Office is in writing (see: 37 C.F.R. §1.2²) and the proper authority for action on any matter in this regard are the statutes (35 U.S.C.), regulations (37 C.F.R.) and the commentary on policy (MPEP). Therefore, no telephone discussion may be controlling or considered authority for Petitioner's action(s).
